Admissions

When a parent enquires in Dar ul Madinah about available places, full details of the child are taken on an Initial Enquiry Form. The parent is invited for a show around where they can discuss Dar ul Madinah admission further. An appointment will be booked with the Dar ul Madinah Manager. This appointment lasts 30 - 60 minutes and a thorough tour is given and an explanation as to the Islamic curriculum, Dar ul Madinah curriculum, information about online journals and materials are shown. If the parent/carer is interested in enrolling their child, then a registration form is given which can be filled in and returned on the day or it can be emailed with Dar ul Madinah prospectus.

On the day of registering the child the parent/carer is asked to fill in the child's registration form and a copy of the birth certificate is taken. Depending on the type of registration funded or private the admission is discussed further. For funded children the parents will fill the parent consent form. For the extended offer of 30 hours the parents will fill the short consent form 30 hours extended entitlement. If the child is a funded child, their eligibility is checked on the system and a start date is provided. If the child is not eligible for any funding, then the fees will be discussed (this can be seen in our fees policy). Parents have an option to pay by cash or bank transfer. Fees for each half term are required in advance. An invoice will be provided and details of the methods of payments will be given.

The child's name and preferred start date is then placed on a waiting list if applicable. A welcome letter or an email depending on the preference of the parents will be sent before the start date with all the information about starting Dar ul Madinah, what is required and the settling in process is explained.

Attendance

At Dar ul Madinah we believe good attendance is essential if children are to be settled and take full advantage of the learning and development opportunities available to them at Dar ul Madinah. At a young age, continuity and consistency are important contributors to a child's well-being and progress.

Aims

- To create a culture where good attendance is 'normality' and valued
- To value the individual and be socially and educationally inclusive
- To be consistent in development

Regular and punctual attendance is paramount so that all children have full access to the curriculum. Valuable learning time is lost when children are absent or late.

Procedure

Children should be at Dar ul Madinah, on time, every day that Dar ul Madinah is open, unless the reason for the absence is unavoidable.

Parents are expected to inform Dar ul Madinah of an absence daily. The register closes at 9:15am and 1pm. Messages of absence from parents are passed to the key worker. If a child is absent without an explanation, office staff will contact parents to ascertain the reason for the absence. If the child is known to Social Care, this service will be informed of the unauthorised absence.

If this does not produce a satisfactory explanation, the Manager will make contact, initially by telephone. If there is no contact after one week, a letter will be sent to the family. If necessary, an appointment will be made to discuss the matter. If after one month there has been no contact, the child's name will be removed from the register and the place allocated to another child on the waiting list. The Local Authority will be informed that the child has left Dar ul Madinah.

Any problems with regular attendance are best sorted out between Dar ul Madinah, the parents and the child. Children could sometimes be reluctant to attend Dar ul Madinah. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Cooperation between home and Dar ul Madinah is the best way to support children's well-being needs. Parents are expected to contact Dar ul Madinah at an early stage and to work with the staff in resolving any problems together.

Parents of children whose attendance is inconsistent and generally poor will be contacted by the Manager and their future attendance monitored. If there is cause for concern, the health visiting service and/or Multi agency Safeguarding Hub may be contacted in order to ascertain if family support may be needed. In more urgent cases, social care may be contacted. Although attendance at Dar ul Madinah is not statutory, authorised absence is only normally granted for emergency situations and medical appointments. All planned absences in term-time must be requested using the Holiday Request Form.
